

## Eye Comfort

You may be able to see perfectly, yet be suffering from eye strain. Constant headaches are an indication of such a case. They come from the constant struggle of the muscles to overcome a slight defect in the construction of the eye.

A good optician can soon tell you whether you need glasses or not.

## WHITEHOUSE GETTING READY

EXPECTS TO PUT A LARGE FORCE  
OF MEN ON THE NUUANU DAM  
CONTRACT.

Although the contract has not been actually awarded to him, L. M. Whitehouse feels sure that he will build the Nuuanu dam as his bid was so much under the others submitted that there can be little question that he will be formally notified of the acceptance of his tender very shortly. He states that he expects to have a force of a hundred men at work within a week of the time the contract is signed, and to complete the job within the year provided it is not delayed by drought. He states that he will install three other pumps similar to the famous Howland pump which will also be used for sluicing down the earth material for the fill. He has also located his quarries from which rock will be secured for the stone work on the dam.

## AT THE ORPHEUM

"A Bachelor's Honeymoon," which is acknowledged to be not only the best comedy produced here this season, but one of the best ever presented in the city, is to be played again tonight at the Orpheum. It was originally announced that "The Great Conspiracy" would be the bill, but so many requests have come for the repetition of "A Bachelor's Honeymoon" on a Saturday night from people who cannot attend the theater on other nights, that Manager Cooley decided to play the farce. Everyone who saw it when it was first produced will remember it with pleasure and many of them will undoubtedly be at the Orpheum tonight to see it again.

Monday night "The Squaw Man" is to be played. This is a play that needs no recommendation, many Honolulu people who have been in the States in the past two years having seen the original production in New York or more recently in San Francisco. The story is a beautiful one and the play is well suited to the company now at the Orpheum. "The Squaw Man" is to continue for three nights and the Wednesday matinee.

## KOREA COMES FROM THE ORIENT

BIG PACIFIC MAIL LINER ARRIVES WITH MANY PROMINENT THROUGH PASSENGERS.

Pacific Mail S. S. Korea, Captain Sandberg, docked from the Orient at 5:30 o'clock yesterday evening at the Blackfield wharf, whence she sails at 3 o'clock this afternoon for San Francisco. She brought a large cargo for Honolulu, consisting of 1,500 tons.

The Korea had had weather when four days out of Yokohama and the big ship was compelled to leave to for five and a half hours, an unusual occurrence for the monster.

In the cabin were fourteen passengers for Honolulu, chiefly Orientals. Mrs. Low, widow of the late James Low, formerly of this city, was among the arrivals. The sister of her late husband, Mrs. William Matsun, met her at the boat.

A record of loading cargo aboard the Korea was made at Kobe where 5,000 tons were put aboard in nine and a half hours, the greatest amount of cargo ever loaded into a ship in the Far East in so short a period of time. On her last voyage, at Kobe, the Manchuria loaded 5,000 tons in 20 hours.

While the Korea was lying at the port of Hongkong a young Chinese boy fell overboard from the gangway. Capt. F. Korof, the Shanghai pilot, who was witness to the affair, jumped into the water and rescued the boy just as he was going down for the last time. Had it not been for the heroic effort that Captain Korof made the lad would have been drowned.

After the youngster had been landed on deck in safety. Captain Korof was embraced by the mother of the boy and was considered the hero of the day. The night before the Korea sailed all the sampan-men gave a Chinese dinner in his honor. A medal will be got for Captain Korof and presented to him on his return to Hongkong. At the dinner the Chinese had a band and the principal air played was the famous and old sea-faring song "Play Saline: Here Comes The Captain."

Among the prominent people aboard the Korea are the following:

N. L. Armitage and J. H. Fawcett, business men of Japan, on a visit to California. Mr. and Mrs. H. A. Ferguson, of Tacoma, returning from tour of Orient. W. G. Blackwell and L. C. Coventry of London, tour around the world. Otto Franz, Austrian Embassy at Tokyo and Mrs. Franz, en route to Vienna. Messrs. Bauck and Kaiser of Breslau, Germany, tour of the world. J. W. J. Jellie, for years in the customs service in China en route home to England. Hans Alborn, Chancellor of the Siamese Legation in Berlin, returning from Siam. John J. Carter, Standard Oil Co., en route to Pittsburgh. Gaston Heliot of Paris, and Mrs. Heliot, en route around the world. M. W. Creak, in business at Manila, on tour of the States. Bishop T. A. Hendrick, from the Philippines, en route to Rochester, New York. Dr. Francis Valenzuela, for some time Mexican health officer at Hongkong, returning to his home in the City of Mexico. William Martin, U. S. Consul General at Hankow, China, to Washington and to visit home in Dun-kirk, N. Y. Paymaster M. R. Goldsborough, U. S. N., attached to Asiatic station for three years, to Washington.

## PROSPERITY OF JAPANESE

AMERICAN BUSINESS MAN RETURNING SAYS TRADE IS VERY LIVELY NOW.

H. R. Spencer, the foreign representative of the Portland Flour Company, is on the Korea on his way home after a two years absence in Japan. Mr. Spencer, when asked as to the commercial conditions in Japan, replied: "Business is very good in Japan and China today, the only trouble being that it is impossible to get goods fast enough from home. There are great chances in the Orient for Americans at present, and I expect to see a large number of new firms starting up very shortly."

"The four business in the Far East has increased enormously in the last few years, and I expect to see it even larger. Regarding the feeling of the Japanese towards Americans, I can honestly say that they hold us in the greatest respect. All this talk of war is not in my estimation. Japan is not thinking of going to war with us or any one else, they are doing as every other nation is doing, getting their navy and army up to the highest state of efficiency. I know a good many Japanese of rank who laugh at the idea of war. America and Japan are too closely connected in a commercial way to think of war, and the reason for Japan restricting her subjects from immigrating is that she wants them to work at home to build up her own interests."

"I expect to return to Japan in a few months, and if I thought that

## MONUMENT FOR LAHAINA

THE NEXT LEGISLATURE WILL BE ASKED TO AMEND THE ACT NAMING LOCATION.

The Board of Archives Commissioners has decided that it will be necessary to wait until another legislature before the monument to commemorate the creation of the first legislative assembly by proclamation of Kamehameha III can be erected at Lahaina. Robert Lydecker, secretary of the commission who has recently been to Lahaina to look into the matter, finds that in order to carry out the provisions of the Act by which the appropriation for the monument was made by the last Legislature, it would be necessary to place the memorial in a position surrounded by buildings and where it would never be seen unless a special effort was made to find it. This is the exact spot from which the king read his proclamation, and it was here that the Legislature commanded the monument to be placed.

The Lahaina committee has selected a place not far from the landing and near the actual spot to be commemorated, and it is proposed to form a small park with the monument in the center. Mr. Lydecker coincides with this plan, and the Commissioners have consequently recommended that the matter go over till the meeting of the next legislature when an amendment can be secured to the present act.

**W. A. KINNEY TO THE DEMOCRATS**  
(Continued from Page One.)

"Our party has established a Democratic administration in this city, that has brought great credit to it, and strengthened its hands throughout the Territory for the coming election. The attitude of the party in reference to public lands, and in all matters affecting the condition of the people at large, has ever been on the right side, and at no time has it been controlled by interests adverse to the public welfare."

"Our alliance with the Home Rule party, on the whole, I believe, has been a mistake, and it is to be hoped that in the future the Democratic party will stand upon its own feet and shake off the incubus of any connection with a party that has no possible excuse for continuing in politics."

"In retiring for a time from active politics I wish to emphatically reassert my unflinching fidelity to the party and its principles, and an abiding faith not only in its ultimate triumph but its near triumph. It is because I feel that the occasion is an auspicious one and that the future promises well that I feel justified in resigning. In other words I do not feel at all that I am leaving a sinking ship, but in the contrary, one that has started well with the promise of a prosperous voyage. Speeches, however, can only be secured by a hearty co-operation and by solid work, and this applies not only to the committees, but also to the rank and file. Let us all, according to our opportunities and means, lend a helping hand to the men who have consented to take upon their shoulders the burdens and responsibilities of leading and directing the policies of the party in the future. Very respectfully,

"W. A. KINNEY.  
Honolulu, Feb. 7th, A. D. 1908."  
There was any chance of war I would not be so anxious to return."

## KOA GIVEN FOR YACHT FINISHING

A HILO DONATION OF A THOUSAND FEET OF THE DESIRED HAWAIIAN MAHOOGANY.

Eben Low, who returned from Hilo this morning, reported to the yacht committee that he had been able to get a donation of 1000 feet of mahogany from the Hilo forest, from a party in Hilo.

This item is one that the committee have been very much anxious about, as they did not know where they would be able to get the wood. The work on the Hawaii's interior will be started as soon as the wood arrives.

### STUDENTS RALLY

The Students of the World will have their religious services tomorrow, February 9, in every land under the sun. Having been splendidly organized by that Wizard in the sphere of things ecclesiastical, John R. Mort, they have set apart this day for special services. Request having been made that Central Union observe the occasion, the minister has decided to change his program for the morning and instead of preaching the third session in his course on the Old Testament, to devote the time to the interests of Students. In the evening at 7:30 there will be a great rally of young people at Central Union. The Normal, Kamehameha and High Schools, Oahu, Lanai, Aloha, St. Louis and Agricultural Colleges, Kawaiahae Seminary, Mills Institute and St. Andrew's Priory, embracing all the older students of the city, have been invited to be present and participate. All will be on hand except St. Louis, Lanai and the Priory, who are detained by other engagements. A number of principals will be on the platform. Kamehameha Chapel Choir, under the leadership of Mr. Stanley Livingston, will furnish special music and lead the singing. Rev. W. B. Oleson, the newly elected secretary of the Hawaiian Board, will preach on the theme "Seeking Investments." The main floor of the church will be reserved for students and young people.

### IN POLICE COURT

Justice this morning in Police Court was dealt out with unusual speed, court being over before nine thirty. John Powers, charged with manslaughter in the first degree, had his hearing postponed until February 13 at the request of his counsel, E. C. Peters. Bail was set at \$750. Kwong Mow, charged with maintaining a public nuisance to wit, a cesspool was fined \$15 and costs. Ah You, a Korean, charged with the larceny of a pair of trousers, and a coat and vest, was found guilty and sentenced to six months' imprisonment. Three drunks were fined \$5 and costs each.

EDITOR STAR:—Permit me this opportunity, as a stranger within the gates of your fair city, to express my appreciation of the excellent concert program rendered Thursday evening by the Symphony Society. My pleasure was equally divided between hear-
